MICHIGAN STATE UNIVERSITY'S ORPHAN RELIEF HOSTS VIDEO GAME FUNDRAISER

(East Lansing, MI) Michigan State University's ***Orphan Relief*** will host a "Mario Kart" fundraising competition on **March 25, 2024 at 5 p.m. in Wells Hall in room 136A to raise money for an orphanage in Guatemala.**

"Last year we earned over \$1,000 to help feed, clothe and provide a home for children in need," said Rena Webb, president of ***Orphan Relief***. "Students can help give these kids a better life by playing a game of 'Mario Kart.' It's a win for everyone."

All proceeds will be donated to El Amor de Patricia, an orphanage in Guatemala. The donated funds will provide a safe home for abandoned children and support to families in need.

"We wanted to create a fun and engaging activity to encourage people to donate to El Amor de Patricia," said Sami Norcutt, public relations specialist of ***Orphan Relief***. "We hope to make this our most successful fundraiser yet."

The club's members encourage all Michigan State University students to participate in the event. Students can pay \$5 to participate in the bracket styles competition. The winner will receive a \$20 gift card.
